

**Building Tomorrow - "Through Children's Eyes"
Smart Start of Geary County**

All parents are teachers!

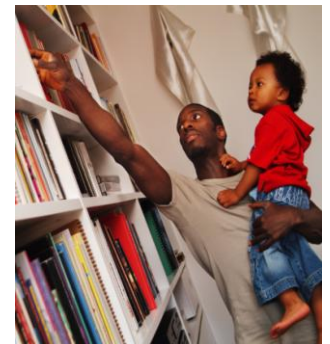

As your child's first and most important teacher do you know . . .

- Your school district offers free early-learning programs for children from birth until they enter Kindergarten.
- Smart Start of Geary County can help you build a strong foundation for your child's future success.

Smart Start free programs offer:

- Playtimes for parents and children
- Family Activity Nights
- Early childhood screenings
- Personal visits with age appropriate activities

For more information or to enroll in the Smart Start Parents As Teachers program please call 238-3103 extension 515
